Standing 43-levels high, Voyager is the tallest building at Wharf's Entrance at Yarra's Edge in Melbourne. The aerodynamic fluid form of the building was designed in response to both currents in the air and the Yarra River. These unique lifestyle residences capture the abundant light and water that the location is recognised for. A short riverside stroll to Melbourne's CBD, Voyager signals a new beginning for an exceptional life at Yarra's Edge. A rich offering of Melbourne's culture, shopping and dining is available at the discerning resident's leisure.
